## DRIVER REVIVER – EASTER 2022

Over the Easter long-weekend the Driver Reviver Van operated from the Pioneer Cemetery. The van was in operation for a total of 26 hours with having a massive 41 vehicles stop and providing refreshments for 69 drivers and passengers. This is an amazing result, completely smashing last Easter's figures of 29 cars and 44 drivers and passengers! It's with figures like these, that makes this activity worthwhile.

On behalf of the Yilgarn Community Support Group, I wish to thank Glen Brigg, Rob Pownall and all the Shire Workers for getting the Van in place for us and for organising our signage; SX Hardware & News for allowing us to leave the Roster; the Water Corp for the bottles of water and the CRC for the advertising in the Crosswords.

Most importantly, the Driver Reviver wouldn't be successful without the generous time given from our Volunteers. I wish to thank Robin & Lance Stevens, Colin & Ursula Cuffe, Laurita Symes, Karin Wesley, Josephine Pollard, Vera Carlson, Shelley & Rolie Blair, Sarah Pollard and Pat & Lisa Boso. Thank you Everyone and hope we can count on your support again for Christmas 2022.

### *Did you know?*

**Did you know** the original footie field in Southern Cross was where the town hall now stands? Cricket was also played there, a cycle track built around the perimeter, croquet played, and later a tennis court. Only tennis has survived, on the same site it started on. Other sports were relocated, the land needed for Council purposes.

The railway oval, now Constellation Park, was the next sports ground, then the Greater Sports Ground behind the caravan park, then back to railway oval, and finally to the present Recreation Ground in the early 1950's. It is interesting to note that history has taken a full circle, with the town hall block now home to the bowling club as well as tennis and the swimming pool. It was bituminising the main road (Canopus Street) during 1949 which led to sport returning to its roots.

Canopus was once a dual road, like most of early town. Only one half of the road was needed, the other half benefiting the school ground, the swimming pool, and the present football oval. The Fire Brigade also owes its present site to narrowing of Canopus Street. Separate lot numbers were created for these extended areas. For the record, lot 4 of 5 acres is where the school is. Lot 5 is the Shire block, and lot 6 the sporting reserve. Lot 5 has had a checkered history which I will outline another time.

# Pulse oximeter

## What you need to know!

- Are you non-Aboriginal and over 65?
- Are you Aboriginal and over 50?
- Are you pregnant?

If you answered YES to any of the above – collect a free pulse oximeter from the Southern Cross CRC today!

### What is a pulse oximeter?

It is a small, peg-like device that clips onto your fingertip to read your heart rate and blood oxygen level. It takes only one minute to work, is reusable and can be shared between other people in your household.

### Why do I need one?

If you become COVID-19 positive, you may need to be remotely monitored through the WA COVID Care at Home program. By having a pulse oximeter already in your home, a health professional can assess you and provide health advice from the comfort of your home.

Visit [WA COVID Care at Home](#) for more information.

### Where do I get one?

Visit the CRC to collect a free pulse oximeter for you and your household (each eligible household can receive one pulse oximeter but supplies are limited).

Do **not** pick up a pulse oximeter if you are already COVID-19 positive. If you have already received a positive COVID-19 test result, the Department of Health will contact you and provide further information.

Visit [COVID-19 \(coronavirus\) \(healthywa.wa.gov.au\)](#) for more information.

## About Australia's Biggest Morning Tea.

Cancer Council WA is encouraging the Wheatbelt community to gather their friends, family or workmates, in-person or virtually, for a cup of tea and a bite to eat whilst raising money to support Australia's Biggest Morning tea to help those affected by cancer.

This year Cancer Council is hoping to raise more than \$1 million to continue its life-saving cancer research, prevention, advocacy and support programs. For 29 years, Cancer Council's Australia's Biggest Morning Tea has brought together millions of Australians over a cup of tea in support of those affected by cancer.

It doesn't need to be fancy - your Biggest Morning Tea could be at home with friends or family, a simple morning tea in the office with workmates, a virtual get-together, or a gathering in the local community or at school.

Simply register online at [biggestmorningtea.com.au](http://biggestmorningtea.com.au), set a date in May or June and start sending out your invites. Every dollar raised helps support those impacted by cancer.

Australia's Biggest Morning Tea is the largest and most successful event of its kind in the country and attracts over 4,200 hosts each year. Due to current circumstances, Cancer Council encourages all to follow the [recommended guidelines](#) provided by the Australian Government. Details regarding Cancer Council fundraising events may change as circumstances change. For more information and support regarding cancer and **COVID-19**, please visit [wa.gov.au/government/covid-19-coronavirus](http://wa.gov.au/government/covid-19-coronavirus).

Anyone unable to host a morning tea can still get involved by donating directly to Cancer Council via [biggestmorningtea.com.au](http://biggestmorningtea.com.au).

### FREE online Life Now courses - Available Now

People living with cancer in the Wheatbelt will be able to access free online yoga, mindfulness and tai chi courses, with the commencement of Cancer Council WA's Life Now Term 2 timetable in May 2022. The Life Now Program's introductory style courses are specifically designed for cancer patients and their carers, offering participants the chance to learn techniques to support their physical and mental wellbeing during treatment and recovery.

We know through numerous studies that there are a range of benefits from participating in mindfulness, yoga and tai chi, including reducing anxiety, stress and fatigue. Thanks to generous community donations, the Life Now Program offers free evidence-based exercise and meditative courses to support West Australian cancer patients and their carers

**Please see Term 2 timetable for all course dates, times and locations**<https://www.cancerwa.asn.au/articles/calendar/calendar-exerciseyogarelaxation-life-now/>

## WHEATBELT REVEGETATION PROGRAM LAND PURCHASES

Main Roads is seeking to buy portions of land adjacent to State roads for revegetation purposes. There are a number of upgrades planned for roads, particularly within the Wheatbelt and to a lesser extent, Great Southern regions of WA, which will require the removal of native vegetation that, in some cases, is protected by both State and Commonwealth legislation. The purpose of the land acquisitions and revegetation is to “offset” the future residual loss of this vegetation.

Main Roads is ideally looking for cleared farming land immediately adjoining the road reserves of State roads. The land should be 50 to 100 metres wide and more than one kilometre long and (preferably) linking remnant vegetation. It is intended that any land acquired would be dedicated as road reserve.

Interested landowners are encouraged to contact Rod Cousins at Main Roads on (08) 9323 4811 or via [revegetationbank@mainroads.wa.gov.au](mailto:revegetationbank@mainroads.wa.gov.au)
