The Shire of Yilgarn received federal funding in 2021 from the Local Road Community Infrastructure program. We did community consultation via a survey sent out at the end of 2021 which indicated that what the community wanted was quality playgrounds for our satellite towns. A tender was then put out for the construction of the parks which was awarded to Forpark for a total cost of \$630,090.48.

Further consultation was done with each satellite community on the specific design of each park with all of them being tailored to the specific requests of each community.

Construction began in July 2023 and was completed in November 2023.

The Bodallin, Moorine Rock, Marvel Loch, Bullfinch and Mt Hampton townsites now have quality playgrounds for their young community members and visitors to enjoy for many years to come.

Pioneers of Wilgarn

Stage 1.

Citizens who built this district between years 1887 and 1914

King, Tom: Came to Southern Cross in 1893 and established a bakery. In 1898 he built the two-story brick building on lot 10. It became known as the 'big store' for groceries and ironmongery. Tom and his family lived upstairs. In 1904 Tom built another brick two-story on lot 38 across the road. This was intended to be a family hotel but being unable to get a liquor license it was turned into a boarding house instead. Two years later Tom built another brick shop alongside the boarding house and joined them together, the roof lines showing they are two separate buildings. Tom was civic minded and did his turn as a town councillor. He was a good citizen prepared to invest in the town. His legacy is there for all to see, the only two-story shops in the main street.
