Community invited to discuss new banking opportunity in the Yilgarn District.

The local people in the Yilgarn District are invited to attend a Public Meeting to discuss a new banking opportunity for the town.

"It will help keep local money and jobs in the community and create an alternative source of income so that our community can fund activities and initiatives that will make a difference".

"I urge all residents of the community to attend the Public Meeting to hear from local people who are supportive of this initiative, as well as a Bendigo Bank representative who will discuss the Customer Service Centre model in detail and the positive impact it can potentially have on our town.

"This is a great opportunity to help ensure the future growth and prosperity of the Yilgarn District, and we need the support of the whole community to make it happen," Cr Truran concluded.

A Customer Service Centre will be able to assist local people with same day access to general banking facilities, from standard everyday transactions, to home loans, personal, rural and business loans and credit cards.

BUSHFIRE SEASON

It is almost bushfire season. If you live in on or near bushland, you are at risk from a bushfire and developing a **bushfire survival plan** is critical. Being prepared for a bushfire can help save you and your family's lives, your property and your livelihood.

You need to think about the bushfire risk to your family and home:

- Do you live in or near bush?
- Does your local area have a bushfire history?
- Do you have trees and shrubs within 20 metres of your house?
- Is your house built on a slope?
- Is your bushfire survival plan more than one year old?
- If you answered yes to one or more of these questions then being impacted by a bushfire is a real risk to you and your family. You need to have a bushfire survival plan and keep it updated.

When developing your plan decide together if you will leave for a safer place, which may be to relocate to family or friends or to a Shire shelter if an evacuation is initiated, or stay to actively defend your home. Make sure you write everything down. If you live alone consider creating a plan with a neighbour or friend.

Everybody should have their own tasks and have a list of actions to take if there is a bushfire. Keep your bushfire survival plan in an easy to find place and make sure everyone knows where it is. Practice your plan regularly and review it every year.

For more information on bushfire preparedness, internet search "DFES Bushfire Safety".

Being prepared for a bushfire can save your life and property.

EMERGENCY INFORMATION

There are a number of ways you can stay up to date with emergency information through the Shire and other organisations.

Harvest Bans

Current information on harvest and vehicle movement bans within the Shire of Yilgarn can be heard on the Shire's Emergency Information Service Hotline: (08) 9487 8777.

The service is updated daily and also includes information on road and airport closures; and will also be used to provide information in the event of an emergency so it is vital for everyone, not just farmers, to store this number in their phones or at home.

Whispir Alert System

The Shire of Yilgarn has an alert system for fires, road closures, harvest bans, airport closures, emergency information and community events. The alert system works via email and SMS. This is not just for farmers, as any relevant information during an emergency will also be dispersed via this method where possible.

If you would like to receive alerts from the Shire or wish to update your details, please contact the Shire office by phone on 9049 1001 or by email reception@yilgarn.wa.gov.au with "Whispir" in the subject line and provide your preferred email and mobile phone number and which alerts you wish to sign up for.

ABC Radio Harvest Ban Announcements

Closer to summer, ABC Local Radio will begin on air harvest ban announcements. The times will be advised closer to the commencement of announcements.

Bushfire Volunteer Brigade

The Yilgarn Bushfire Volunteer Brigade is currently seeking members, if you would like more information on becoming a member please contact the Shire on 9049 1001.

LANDFILL CHANGES

As advised in previous Crossword editions, a review of the opening times and general operations of the landfill facility was to be undertaken, with feedback from the community sought. This review has now been completed with Council endorsing the following opening times.

The changes will come into operation from the **5th November 2018**.

NEW OPENING HOURS

	NEW OPENING HOURS FROM 05/11/2018	CURRENT OPENING HOURS UP UNTIL 04/11/2018
Monday	1:00pm to 4:00pm	Closed
Tuesday	1:00pm to 4:00pm	12:00pm to 5:00pm
Wednesday	Closed	Closed
Thursday	Closed	Closed
Friday	1:00pm to 4:00pm	12:00pm to 5:00pm
Saturday	10:00am to 4:00pm	1:00pm to 4:00pm
Sunday	10:00am to 4:00pm	8:00am to 11:00am

GENERAL INFORMATION

The review identified a number of incorrect assumptions in the community, which are addressed below:

- The fees do not apply to residential refuse, deposited by a Yilgarn resident within the designated operating hours;
- The fees and charges apply to all commercially generated waste. This includes waste generated from the cleaning/clearing of residential properties for reward;
- In comparison to other similar landfill facilities in the eastern wheatbelt, the commercial rates are on the lower end of the scale and are set to assist in covering costs. These will be reviewed annually as part of the annual adoption of the fees and charges;
- The commercial fees do not apply to non-profit organisations and recyclable materials, sorted and placed in provided bulk bins or designated recycling areas;
- The fees are per cubic metre and are measured onsite by the attendant. Commercial customers are required to sign the acceptance form confirming they agree with the measured amount to be invoiced.
- Commercial refuse fees are not new, as has been inferred by some community members. There have always been commercial fees and charges, however with the transfer station being unstaffed, applying the fees was not able to be undertaken.
- Up until 2016/2017 refuse fees applied to both commercial and residential refuse, however this was changed to only commercial in the 2016/2017 budget and the rates for general commercial rubbish were reduced.

Libra Colour Fun Run

"Stronger together – It starts in our community"

On Sunday 14 October 2018 we held our first colour fun run with a total of 73 participants defying the weather.

Shire President Onida Truran welcomed the troops and reminded all of mental health week and the importance of good mental health and looking after yourself and others.

Marg Pasini held a warm up session for all, which was well received and needed given the weather.

Thankfully just in time the rain stopped for the start and held off until the last walkers came back.

Thanks to our "volunteer-bombers" Onida, Di, Jodie and Nat and to Marg for the warm up session.

As this proved to be a successful and well-received event we will include it in our annual calendar and hold another colour fun run next year.

Pioneers of Yilgarn

Stage 1.

**Citizens who built this district between years
1887 and 1914**

McIntyre, Archie: McIntyre was Yilgarn's most
controversial and valued citizen between 1900
and 1920. He was a chemist by trade but a
journalist by inclination, joining a consortium of
businessmen to establish Southern Cross Times
newspaper in 1900.

Over the years, 'Bullant' McIntyre acquired a
reputation for his vitriolic pen and court
appearances charged with libel. He was also a
Municipal Councillor with good ideas, but lacked
the tact to get things done. He made two
attempts to get into parliament and it is
fortunate for other politicians that he failed. He
also dabbled in mining and owned several leases.

He believed in Yilgarn and invited entrepreneurs
to come and see what the district had to offer,
driving them around at his own expense. His
death aged 49 was acknowledged at a sitting in
parliament as a loss to the gold industry.
McIntyre may not have been perfect, but he
stands out for his deeds and fighting spirit
promoting his town.
