Join us to have a chat about mental health and wellbeing in rural Australia

A Rural Minds Workshop is a relaxed way to learn about mental wellbeing and resilience for your community, your family, friends, and yourself. Designed for rural and remote communities, and delivered by people who know what it's like out here, Rural Minds is just good, solid, practical, information without all the bull...dust.

The workshop will:

- Improve your awareness and understanding of mental health issues
- Make the connection between mental health and personal safety
- Give you the confidence, strategies and pathways to supports to help you preserve your mental health and that of your family and friends.

Topics covered will include:

- Stigma around mental illhealth
- Risks to mental health
- Anxiety and Depression
- Destructive Thinking
- Acute Stress and PTSD
- Dementia
- Suicide
- Alcohol, drugs and mental health
- Relationships
- Financial Stress and Succession
- Strategies to build and maintain mental health
- Mental health supports

COVID-19 Phase 1B VACCINE ROLL OUT AT SOUTHERN CROSS GENERAL PRACTICE

We would like to shed some light on the rollout of the Astra Zeneca vaccine here at the practice. As you may be aware, General Practices within Australia will be receiving the Astra Zeneca vaccines to accommodate Phase 1B and future phases after that. Firstly to commence with Phase 1B:-

Who are eligible in Phase 1B?

- *persons aged ≥ 70 years*
- *other healthcare workers*
- *Aboriginal aged > 55 years*
- *adults with an underlying medical condition associated with increased risk of severe COVID-19 illness, including disability.*
- *critical and high risk workers including defence, police, fire, emergency services and those people working in the meat processing industry.*

The following is stated by the Department of Health, (*March 2021*).

As vaccine stock will be limited in the early stages of Phase 1b, start dates and dosage allocation will be dependent on vaccine availability. In the first four weeks, there will be rapid on-boarding of general practices to build a broad national footprint across Australia, complemented by General Practitioner led Respiratory Clinics and Aboriginal Community Controlled Health Services.

To ensure efficient and equitable distribution of vaccines across the country, a tiered dose allocation model has been developed that maximises the number of practices coming on board each week, based on available vaccine supply. General practices have been assigned an allocation based on geographic distribution, density of Phase 1b priority population in the area.

Southern Cross General Practice is:

- **scheduled to commence vaccinating from Week 4 of the Phase 1b rollout in the week of 12 April 2021; and**
- **will receive an allocation of 50 doses per week.**

We hope the above narration has updated you as to where our practice is in regards to accommodating the roll out of this very important situation.

ABOUT OUR VACCINATION PROCESS – subject to change.

Anticipated process for a COVID-19 vaccination clinic at our practice is:

A clinic possibly Tuesday & Thursday afternoons for a couple of hours, seeing people in batches of 10 as 15 minute appointments.

You will undergo pre-vaccination screening with a nurse to ensure you meet eligibility for vaccination. Vaccine will then be administered. You will then be required to wait in the waiting room for 15 minutes minimum to be observed post vaccination.

For those who are eligible in Phase 1B, when the time comes you can book your vaccination appointment by phoning the practice 90491 147.

For your information.

Phase 2a	
Adults aged 60-69 years	
Adults aged 50-59 years	
Continue vaccinating Aboriginal and Torres Strait Islander adults	
Other critical and high risk workers	
Number of doses	up to 15.8m
Phase 2b	
Balance of adult population	
Catch up any unvaccinated Australians from previous phases	
Number of doses	up to 16m
Phase 3	
< 16 if recommended*	
Number of doses	up to 13.6m

2021 INFLUENZA VACCINATIONS

Just a quick note on this. We hope to start receiving Government funded influenza vaccines in May. However, for those who are eligible, administration may be delayed depending on when you had your COVID vaccine, both the first dose, and then the second dose, as a 14 day wait time is required post COVID vaccination.

Did You Know?

Did you know that Sydney Atkinson, founder of the well-known motor firm, was a pioneer of Yilgarn? He was the proud owner of one of the first motor vehicles in town. In the early days Atkinson held a mail contact between Southern Cross and Mount Jackson, a distance of 100 miles.

At first a horse drawn vehicle was used but as the journey was slow a motor buggy was introduced. It raised public interest in this revolutionary means of transport. But it did not come up to expectations of its owner, the iron wheels having trouble with sandy tracks in summer, and with bogs in winter. The wheels lost traction and would spin, so horses were brought back onto the run.

Sydney Atkinson married the daughter of Frank Snook, who had recently built the Palace Hotel. Atkinson then moved to Perth to establish a motor firm, which later became Perth's largest Holden dealership.
