Did You Know?

Did you know that 60 years ago the local paper reported that beer is six times dearer than petrol?

A bottle per day between two people does not sound much, but over 12 months the money could put four new tyres on your car, licence it for a year, and give you 40 gallons of petrol to run around with.

LOCAL GOVERNMENT ORDINARY ELECTION

CLOSE OF ENROLMENTS

Shire of Yilgarn

ROLL CLOSE: 5:00 PM Friday, 27 August 2021

You may be eligible to be enrolled to vote in the local government elections on 16 October 2021 if you live in or are an owner or occupier of rateable property in the Shire of Yilgarn.

Residents

You are automatically enrolled to vote if you are on the State Electoral Roll as at 5:00 PM Friday, 27 August 2021. If you are not already on the State Electoral Roll and meet the eligibility criteria, or if you have changed address recently, you must complete an enrolment form.

Enrolment Forms

Electoral enrolment forms are available from the Shire of Yilgarn, all Australian Electoral Commission offices (www.aec.gov.au) or the Western Australian Electoral Commission (www.elections.wa.gov.au) and must be completed and reach a Divisional Returning Officer in Western Australia by 5:00 PM Friday, 27 August 2021.

Non-Resident Owners and Occupiers

If you are a non-resident owner or occupier of rateable property in the Shire of Yilgarn and are on the State or Commonwealth Electoral Roll, you are eligible to enrol to vote. If you are **not** on the State or Commonwealth Electoral Roll and own or occupy rateable property in the Shire of Yilgarn you may be eligible to enrol to vote. This applies if you were on the last electoral roll for the Shire of Yilgarn prior to May 1996 and have owned or occupied rateable property in the district continuously since this time. Please contact your local government for details. Owners of land who were on the last Local Government roll continue to retain that status until they cease to own the rateable property to which the enrolment relates. Occupiers do not have continuous enrolment and should contact the Shire of Yilgarn to confirm their enrolment status. To be eligible to enrol as an occupier, you will need to have a right of continuous occupation under a lease, tenancy agreement or other legal instrument for at least the next three months following the date of the application to enrol.

Joint Owners and Occupiers

If a rateable property is owned or occupied by more than two people, a majority of the owners/occupiers may nominate two persons from amongst themselves who are on either the State or Commonwealth Electoral Roll, to enrol as owner/occupier electors.

Corporations

A body corporate that owns or occupies rateable property may nominate two people who are on either the State or Commonwealth Electoral Roll to enrol as owner/occupier electors.

Enrolment Forms – Non-Resident Owners and Occupiers Only

Enrolment forms can be obtained from local governments and must be lodged with the Chief Executive Officer by 5:00 PM Friday, 27 August 2021. Further information can be obtained from the Shire of Yilgarn.

In Science this term, the Year 2/3 class have been exploring how objects need to be pushed or pulled in order to move. Students have been testing out different strengths of pushes and pulls by making Dog Treat Feeders. They designed and made some very complicated machines to feed their dogs treats. Sadly, one or two dogs got a little hungry during the process, but they waited patiently until their treats arrived.

SAFEWA APP & MANUAL CHECK-IN AT ENTRY GATE.

This event taking place is contingent on current COVID-19 health and safety advice provided at the time of the event by the Commonwealth and WA Government.

If Everyone

If everyone who drives a car could lie a month in bed,
With broken bones and stitched-up wounds, or fractures to
the head,

And there, endure the agonies that many people do,
They'd never need preach safety anymore to me or you.

If everyone could stand beside the bed of some close
friend,

And hear the doctor say 'no hope' before the fatal end,
And see him there unconscious never knowing what took
place,

The laws and rules of traffic, I am sure we'd soon embrace.

If everyone could meet the wife and children left behind,
And step into the darkened home where once the sun-
light shined,

And look upon the vacant chair where daddy used to sit,
I'm sure each reckless driver would be forced to think a
bit.

If everyone would realise pedestrians on the street,
Have just as much the right-of-way as those upon the
seat,

And train their eyes for children who run recklessly at play,
This steady toll of human lives would drop from day to
day.

If everyone would check his car before he takes a trip,
For tyres worn, loose steering wheels and brakes that fail
to grip,

And pay attention to his lights while driving roads at night,
Another score for safety could be chalked up in the fight.

If everyone who drives a car would heed the danger signs,
Placed by the highway engineers who also marked the
lines,

To keep the traffic in the lane and give it proper space,
The accidents we read about could not have taken place.

At last, if he who takes the wheel would say a little prayer,
And keep in mind those in the car depending on his care,
And make a vow and pledge himself to never take a
chance,

The great crusade for safety then would suddenly advance.
