CRC Customer & Stakeholder feedback wanted

The CRC is investigating a change to service days/hours, and we want feedback from our customers and stakeholders over the next 2 week period.

The plan for the changes to the days/hours are as below:

Monday and Tuesdays: 8.15am to 12.30pm, and 1.30pm—4.30pm

Wednesday, Thursdays and Fridays: 8.15am to 12.30pm (half days only).

On Wednesday, Thursday and Friday afternoons the staff member from the CRC will be working at the Museum (and opening it to the public if a volunteer is not scheduled for these times).

The fantastic volunteers at the Museum will still be opening on their nominated days and times.

CRC services requiring use of the CRC building will be available on the closed afternoons by appointment/previous arrangement only. Select secretarial services will be available at the Shire Admin office by prior arrangement.

To provide feedback, please email the CRC on crc@yilgarn.wa.gov.au or complete a short feedback form at the CRC or Shire Admin office.

Feedback will need to be received by Monday 25 July 2022.

WINTER CARNIVAL

What a fantastic day attendees had at the first ever Shire of Yilgarn and Southern Cross Community Resource Centre Winter Carnival!!

With the cool breeze on the day, the hot drinks provided by Brad at Wheatbelt Coffee Time were very welcomed by the parents and the kids definitely seemed to enjoy the slushies!

As you can imagine, the worry about weather when organising an outdoor winter event can be pretty stressful, but luckily the sun was shining with not a cloud in the sky, giving everyone some much needed vitamin D.

Thank you to Monsterball Entertainment for the awesome inflatables and everyone that helped out on the day.

Lastly a huge thank you to everyone that came along and supported this community event!

Go Dry this July

Cancer Council WA is encouraging people to quit alcohol for the month of July, in a bid to raise much-needed funds for the 13 11 20 Cancer Information and Support Line; a free service for all Australians affected by cancer.

Going dry for July is a great opportunity to look at how you can reduce your overall alcohol use. Alcohol is a cause of cancer; research shows that every year more than 3,200 cases of cancer can be attributed to alcohol use, such as mouth, pharynx, larynx, oesophagus, liver, bowel and breast cancer in women.

There is no safe level of alcohol use, as any level increases the risk of developing an alcohol-caused cancer. The more you drink, and the more often you drink, the greater your risk. To reduce your cancer risk, the message is avoid alcohol.

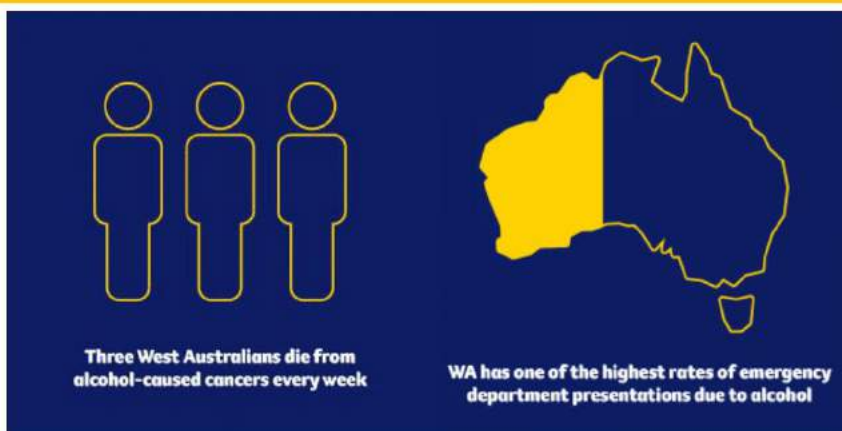

Committing to the Dry July fundraiser is a great way to raise funds for an important cause. Our 13 11 20 Information and Support Line is a confidential service run by experienced cancer nurses and is available to those affected by or concerned about cancer. This service is not government funded – it is funded through the generosity of donors and fundraisers.

The service connects West Australians with relevant support, information and resources to help them through their cancer journey. Last year, the service provided support to more than 5500 West Australians.

To sign up to Dry July visit <https://www.dryjuly.com/cancercouncil>

For more information about Cancer Council's support services, visit cancerwa.asn.au

If you do drink, drink no more than 10 standard drinks a week and no more than 4 on any day to reduce your risk of harm from alcohol.
