## SHIRE OF YILGARN STRATEGIC COMMUNITY PLAN REVIEW

The Shire of Yilgarn Strategic Community Plan 2020 – 2030 is the guiding document for the Shire of Yilgarn Council and Administration.

It is the responsibility of all Local Governments in Western Australia to demonstrate through their strategic plan, on-going planning for the social, environmental and economic future for the whole of the Shire.

The Plan incorporates the vision and aspirations of the community and allows the Council to prioritise service delivery and projects that have been identified as important to community members.

Whilst the Strategic Community Plan is a ten year plan, it is not fixed for ten years as it would be long out of date by then. Rather, it is a “rolling” plan which is reviewed every two years. The two-yearly reviews alternate between a minor review (updating as needed) and a major review (going through all the community consultation steps again).

Having been implemented in 2020, the plan is due for a minor review in 2022, and whilst detailed community consultation is not required, it is important to obtain the general views of the community, to ensure the Plan is still on the right track with regards to community expectations.

The Shire of Yilgarn is encouraging ratepayers and community members to read the plan and provide feedback on its relevancy and currency given the current social, environmental and economic climate.

The Plan can be found at the link below, or hard copies at the Shire of Yilgarn Administration Office and Southern Cross CRC.

<https://www.yilgarn.wa.gov.au/documents/519/strategic-community-plan-2020-2030>

Submissions can be made to the Shire of Yilgarn Chief Executive Officer via the following methods:

Email: [ceo@yilgarn.wa.gov.au](mailto:ceo@yilgarn.wa.gov.au)

Post: PO Box 86, Southern Cross WA 6426

Hand Delivered: Shire of Yilgarn Administration Office - 23 Antares Street, Southern Cross

Submissions are required by **4:00pm Monday 5 September 2022**.

To assist with your submission, the Shire have provided a guide sheet over the page, however, this is only a guide, feel free to provide feedback you feel is relevant.

If you would like a word version of the feedback sheet, with spaces available for responses, please use the link below. Hard copies will be available from the Shire of Yilgarn Administration Office and Southern Cross CRC, as well as the Shire of Yilgarn stall at the Yilgarn Agricultural Show.

<https://www.yilgarn.wa.gov.au/documents/10799/strategic-community-plan-feedback-guide>

Feedback received will be used to determine whether a modification to the Plan is required. Council will make a determination, based on recommendations from Staff after reviewing submissions, as to whether modifications to the current plan is required. This is intended to be undertaken at the September Ordinary Council meeting.

## Expressions of interest wanted

The Southern Cross CRC & Public Library are seeking expressions of interest from the community in starting up "Story Time Squad" to promote early literacy and learning in the 0-5 years age group.

The proposed plan will include seeking funding to purchase books for each child that attends the sessions, however would require firm numbers to ensure we would be able to order enough books, and have enough interest to continue the "Story Time Squad" into the future.

The starting date for the sessions would be early January 2023. At this stage a day and time has not been discussed, so suggestions are welcomed.

For more information, or to express your interest, please contact the CRC on [crc@yilgarn.wa.gov.au](mailto:crc@yilgarn.wa.gov.au) or call 9049 1688.

His discovery sparked off the gold mining industry which is still vital to this State's economy.

The find was made in wild bush 250 miles inland from Perth after searching for months, with shortage of water a constant threat.

**AUDIOMETRIST**

I was fortunate enough to start my working career in Kalgoorlie and from then on I always knew I would come back to live.

Now I am here to set up to provide hearing care to Kalgoorlie, Norseman, Leonora, Esperance, Kambalda and Southern Cross. I believe this will enhance the lives of generations of locals, helping them to hear, allowing them to engage so they can be heard and helping to maintain the connection that hearing brings with friends and loved ones.
