Volume 24 Issue 15 20 July 2023

Department of
Local Government, Sport
and Cultural Industries

Local Government Reform Stronger local democracy

The State Government is introducing the most **significant reforms of local government** in 25 years.

These reforms will strengthen the transparency, accountability, and efficiency of local governments, enabling stronger local democracy while ensuring a better response to the needs of ratepayers and residents.

Some of these reforms will have a direct impact on voting in the October 2023 local government elections.

You will find details of the reforms on the Department of Local Government Sport and Cultural Industries website at www.dlgsc.wa.gov.au/lg-act-reform or use this QR code.

The Crosswords is produced by the Southern Cross CRC,
 PO Box 178, Canopus St,
 Southern Cross WA 6426
 Phone: 08 9049 1688 Fax: 08 9049 1686
 Email: crc@yilgarn.wa.gov.au

YOUR COUNCIL RATES EXPLAINED

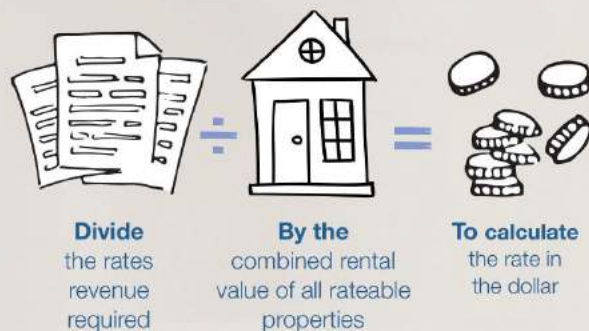

Step 1

Total rates required to run the Local Government

Step 2

Rate in dollar calculated

Step 3

What you pay

Facts About Your Rates

How a boom can affect rates

During a boom, Councils increase employee wages to retain staff in a competitive jobs market, increasing budget requirements, which is to be recovered through rates.

How other charges affect rates

Services Councils pay for, such as street lighting, are often subject to price increases. These costs are passed on to councils which increases budget requirements, which in turn increases rates.

Home improvements can affect rates

If the comparative value of your home increases through renovations or an extension, the share of Council budget you pay in rates may increase.

Housing market movements do not affect rates

General changes in the Western Australian housing market have no impact on your comparative share of rates, due to all properties being affected.

Property rental values are independently set

The State's Valuer General sets values used to calculate individual rates according to the Gross Rental Value (GRV) a property could raise if rented. In many country areas, unimproved values (UV) are used according to land value.

How new Council projects affect rates

Councils strive to meet community requests for new facilities such as recreation centres, increasing Council budget requirements, which will be recovered through rates.

How costs of services affect rates

Did you know your rates may also pay for Council security vehicles, seniors programs, disability access and inclusion programs, rangers, community events, waste services and health inspections?

How community facilities affect rates

The local community determines priorities for services and facilities, which impact upon Council budget requirements, which in turn, increases rates.

DID YOU KNOW?

Community input

Council budgets are set to meet the aspirations, priorities and vision of their communities, as laid out in their strategic community plans. Your Councillors are part of your community – they live and work in your community and pay rates too.

Rate revenue

Rate revenue as a part of Council budgets, is one of the only discretionary levers Local Governments have to meet community priorities. Most other sources of revenue eg, grants and fees and charges are fixed.

COVID Impact

Many Councils froze their rates during COVID-19 to support their local communities through this difficult time.

Rising costs

No Councillors relish putting up rates but costs to fund facilities and deliver services have increased due to the inflationary pressures everyone in the community is facing. For example, rising fuel and construction costs.

Where do your rates go?

Facilities

Services

2024 Calendar—Request for photos

We're starting the collection of photos to feature in our 2024 calendar, and would love to see your pics!

Please note we only accept photos taken in the Yilgarn, and prefer photos to not include people in them (unless we receive permission from the person at the time of photo lodgement). Please include the location of the photo when submitting, and only submit photos for publicly accessible locations (no approvals required to get to the location).

Sometimes we get a lot of photo submissions, so unfortunately not every photo received will be featured.

Please email photos to crc@yilgarn.wa.gov.au

Parents Group

The Southern Cross Community Resource Centre would like to invite all parents of babies/toddlers in town to attend an informal Parents Group in the library on Tuesday mornings starting from 9.30am. Come and have a coffee and relax in the company of other parents who are experiencing the same highs and lows you are. There are no expectations, just come along and enjoy some time out of the house in a supportive environment.

Pioneers of Yilgarn

Stage 1.

**Citizens who built this district between years 1887
and 1914**

Forrester, Percy: Took up 160 acres in 1904 on the edge of town and commenced a dairy. Over the years he grew to become the largest landholder and first full-time farmer in the district. Undoubtedly the leading farmer in Yilgarn during his time, he also served some years as a member of Yilgarn Road Board. As a measure of his standing he was invited to sit on the Land Board to allocate new farms to returning soldiers after the First World War. He died in 1955 and is buried in the local cemetery.

Main Roads are continuing road works on Great Eastern Highway:

- Walgoolan Bridge Replacement - construction is continuing and a side track is in place to limit the impact on traffic. The road is being widened for around 6 kilometres and in the summer months there will be lane closures with minor delays when the new and old roads are joined. Works are due for completion in December 2023.
- Bodallin – 15 kilometres of Great Eastern Highway around Bodallin is being widened. Works also include a new two-kilometre eastbound passing lane between Bodallin and Moorine Rock, construction of a new westbound rest area between Bodallin and Moorine Rock and a realignment to the Bodallin townsite. Earthworks and culvert replacements are currently in progress in Bodallin. Around 8 kilometres of side tracks are in place and operational to limit the impact on traffic. In the summer months, earthworks and service relocations will be completed and the road sealed which will involve lane closures and minor delays. Works are due for completion in April 2024.
- Moorine Rock – 1 kilometre of road around Moorine Rock Bridge will be widened and guardrail installed. Works will recommence around September and are due for completion in October 2023. Upgrades are also planned for Parker Range Road intersection. Works are due to commence in October 2023 and for completion by April 2024.
- Ghooli – Upgrades to 11 kilometres of the Great Eastern Highway at Ghooli (10 kilometres east of Southern Cross) has been recently completed. There are plans to widen, reconstruct and seal a further 11 kilometres of road east of the new upgrades.

For further information please contact Main Roads on 138 138 or enquiries@mainroads.wa.gov.au.

Government services—closer than you think!

At the Southern Cross CRC you can access Centrelink, Medicare and other government programs and services.

We are an Australian Government Agency of Services Australia Access Point.

Using our computer, you can log in to your MyGov account and do your business on the spot. There is a phone for you to access phone self-service or speak to an agency service officer. If you would rather use your mobile phone or tablet, we have free Wi-Fi available 24/7.

You do not need a password so you can get online straight away.

You can also use the Wi-Fi to download and install the Express Plus mobile apps. Our staff will even certify your identity documents for you. So next time you need to do some government business, drop in and see us.

We are open Monday & Tuesday 8.15am-12.30pm, and 1.30pm–4.30pm, and Wednesday to Friday 8.15am-12.30pm at the CRC building on Canopus Street, Southern Cross.
