Southern Cross Community

As you may be aware the Pharmacy has been on the market for the past 12 months due to John's health.

As there has been no interested buyers the unfortunate decision has been made to permanently close the business.

This decision has not been made lightly and understand the community is most at loss.

I would like to personally thank Maureen and team for their service along with the entire community for their support.

The Pharmacy will continue to trade until the end of the financial year **30th June 2024**.

Sincere apologies.

Jordan Hall.

SHAC Electrical Services would like to thank Southern Cross & surrounds for their continued and ongoing support over the past 8 years.

SHAC Electrical Services after all these years will be closing its doors and no longer trading throughout the Yilgarn Shire. Its been a pleasure to be a part of such a close community and build relationships with many clients and colleagues.

Another electrical contractor will commence trading in Southern Cross in the coming weeks and we would appreciate your patience during this transition.

Please don't hesitate to contact SHAC Electrical Services if you have any queries regarding this transition.

Pioneers of Yilgarn

Stage 1.

Citizens who built this district between years
1887 and 1914

Lukin, George: George has the distinction of being Yilgarn's original pioneer and first white citizen, taking up a pastoral lease at Eenuin which he worked from 1874 to 1894.

It was on his property that gold was first discovered in 1887, leading to the development of Yilgarn and the Eastern Goldfields.

Lukin was a boon for the prospectors with his knowledge of the country and understanding of aboriginals. His established waterholes were also a boon.

Without his help, the first wave of gold seekers may not have succeeded.
