drumMUSTER CHEMICAL CONTAINER COLLECTION **EXPRESSIONS OF INTEREST** **COMMUNITY & SPORTING GROUPS**

The Shire of Yilgarn conducts a container collection generally in March and September of each year to collect plastic and steel drums and containers as part of the drumMUSTER program.

The program reimburses the Shire for each container collected; currently the rate is 17 cents per container.

The Shire has seen this as an opportunity for local community and sporting groups to create some extra income and as such is looking for expressions of interest for groups wanting to hold a collection.

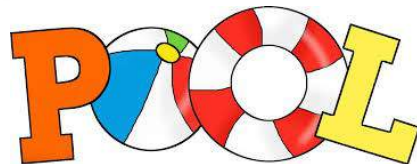

The collections are pre-booked over a designated period of time, which can be arranged to suit successful applicants. A small amount of training is required for collection personnel.

The groups will receive the full reimbursement cost per container collected, as a guide; some collections have received over 3000 containers in one day equating to over \$500.

For further information or to register your interest please email the Manager Regulatory Services, Nic Warren on mrs@yilgarn.wa.gov.au

Blast from the past

Never-Never

8-9-59 Sports News: Football

What would have easily been the strongest and most well-placed team that Marvel Loch ever fielded, engaged Southern Cross in the first semi-final at Southern Cross oval last Sunday.

Great credit must indeed be given to Frank Capelli and Frank Casserly for their selection and placing of the team.

Rucks: F Blackseston
N Wylie
Primo

F Casserly	Jack Pasini	G Kent
R Gill	F Capelli	J Panizza
F Rodgers	R Kennedy	W Day
P Guerini	J Cox	P Stephen
Sylvie	R Robbie	B Panizza

Reserves: J Merrey, N Brooker

Right from the start the Loch played as a team and were quickly into attack. J Pasini at full forward and F Capelli at half full forward were combining very well, with the Loch's rucks and rovers, and 4.5 was the Loch's quarter time score. The Cross were able to get 2.1 and R Speed at half forward flank was instrumental in repulsing numerous Loch attacks.

The Loch, playing its best brand of football, gave great jubilation to its host of supporters.

A change took place in the second quarter, with the Cross enjoying the bulk of play. Sears and Troy on both wings were playing very well, while Franklin and Guidice, allowed free reign in the Cross's forward area, were able to whittle down the Loch's first quarter lead, and give the Cross a 18 point lead at half time. Jim Forrester and Ron Dougherty at the Cross's half back line were able to repel any Loch attacks and attributed to only one point being scored by Marvel Loch in the second quarter.

NOTICE TO THE PUBLIC

The **Eastern Wheatbelt Biosecurity Group (EWBG)** would like to advise the community that from the 30th September 2016 to 30th September 2017 an aerial and ground baiting program (using 1080 meat baits) will be in place to control wild dogs. This program will be carried out by Pest Management Technicians (Doggers) across the Eastern Wheatbelt regions.

In addition to 1080 baiting programs Licensed Pest Technicians will be using Foothold traps treated with Strychnine to remove Wild Dogs that could impact on the Livestock industry in the Eastern Wheatbelt region.

Additional intermittent ground baiting of pastoral leases, DPaW Reserves, unallocated Crown Lands and freehold farms in these areas may also be carried out at any time.

The poison baits will remain toxic for a number months or until substantial rainfall is received. People are advised to take care when working within or visiting these areas.

Warning signs have been placed where applicable on pastoral, DPaW, unallocated Crown Land and main access roads in agricultural areas.

Please consult with individual pastoralists, DPaW and/or farmers prior to entering their lands. Picnic sites and recreational reserves are not included within the baiting program, however, baiting may take place adjacent to such areas and domestic pets should be kept close and under control at all times.

1080 baiting is an integral part of the wild dog pest management program. Pastoralists, DPaW and farmers undertake these poisoning programs to protect livestock from death and injury caused by wild dogs.

If poisoning occurs, contact a doctor or Poisons Information Centre (phone 13 11 26).

For further details please contact the local Department of Agriculture and Food or Department of Parks and Wildlife or the Eastern Wheatbelt Biosecurity Group.

State Barrier Fence caution to travelers!

Traveler's, sightseers and other members of the public are reminded it is illegal to travel along Western Australia's State Barrier Fence; only authorised vehicles are permitted to travel along the fence.

People who illegally drive along the fence can face a \$10,000 fine.

Attention all Farmers!

It's here.
The 2016 European Car of the Year.

We're excited to tell you the all-new Astra has arrived at **Northam Holden**. So if you've been waiting to get behind the wheel and experience this award-winning vehicle for yourself, the wait is over. Designed and engineered in Germany, the European built Astra is a car that delivers many firsts, like the first with new HoldenEye technology. This is a forward facing camera system that gives you an extra eye on the road as it tracks and monitors your position relative to other motorists, providing greater protection for you and your passengers. Get ready to change the way you think about cars in this category. Book a test drive at holden.com.au/newastra today.

The H.A.Y. COMMITTEE has been active since our A.G.M. in October.

In December we gave the opportunity to sail on a LEEWIN SAILING trip to a young person who we have since been advised made new friends, learnt new skills and was approached to act as a volunteer in the future.

We supported the JUNIOR FIRIES when they went to their State Championships in Perth. The feedback from the coach and event organiser was very positive with bonding and access to activities not available here being a focus for the team.

The DRIVER REVIVER VAN over the Christmas break was operating for a total of 22 hours and once again our volunteers provided the opportunity, this time 24 cars stopped.

People we give grateful thanks to include Robert and the Shire workers, Bernie's Mobile Mechanical Service, S X Hardware & News, Josephine Pollard, Vera Carlson, Pauline Eiffler, Pat & Janine Dal Busco, Rolie & Shelley Blair, Roger McLean, Robin Stevens, Anne Carnicelli, Pat & Lisa Boso, Laurita Symes, Glenice Divitini, Kath Coward and Leonie Gethin. As you can see there is quite a bit of work goes into this project but it is a very worth while service to the motor public using Great Eastern Highway.

We look forward to being involved in a Women's Wellness Day currently being organised.

SOUTHERN CROSS

1059m2

Great house with heaps of extras!

- Here we have a large block of 1059 square metres with house, pool and large shed.
- The three bedroom, one bathroom house has a large functional kitchen, tasteful bathroom and good sized lounge room.
- You could spend hours enjoying the below ground swimming pool and spa to the rear of the house. A large veranda overlooking the pool is the perfect place to relax and entertain.
- There is a large, modern 9m x 7m workshop at the rear of the house which is powered and has a concrete floor. It would cost a huge amount of money to replace this shed.
- Serious money has been spent on this house in recent years, inspection comes highly recommended.
