"good country for hardy people"

Day 2017

The Shire of Yilgarn would like to thank all the members of the community that attended the 2017 Australia Day community breakfast and celebration.

A massive thanks also goes to all the amazing people that helped on the day to make it an enjoyable event.

Congratulations go to this year's recipient of the Premier's Active Citizenship Australia Day Awards; Mrs Pat Dal Busco. Unfortunately she wasn't able to attend the event to receive her award on the day but the Shire President, once again, did a wonderful job informing the community on all the selfless volunteering that Pat does to deserve the recognition.

Australia Day Citizen of the Year Award *Pat Dal Busco*

Pat has worked for the Yilgarn community for some 40 years as a volunteer. She is a committed volunteer who gives generously of her time and knowledge.

Her volunteering includes

1978—1979	Yilgarn Netball Treasurer
1995—2001	Southern Cross Football Club Treasurer
1990—2002	Joined the Southern Cross Hospital Board – 2001 took on the position of Board Chairperson and continued in this position until boards were abolished

Pat has served the Tennis club in the position of Secretary for 10 years and Treasurer as 5, and has also served the Catholic parish as Treasurer and committee member for over 10 years.

Our researchers were unable to find exact timelines but from talking to her fellow volunteers it is believed conservatively that she has served the following organisation for at least this time:

- Homes for the Aged committee for approximately 20 years including the positions of Secretary and Treasurer.
- Health Agencies of the Yilgarn for approximately 15 years including the positions of Secretary and Treasurer.

Pat's sustained commitment and passion over so many years is to be admired and appreciated by the community.

I congratulate Pat on her award and wish to say thank you for your generosity to the organisations you have supported in the Yilgarn.

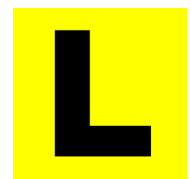

Your commitment and dedication is greatly appreciated and respected by all.

Ouida Truran

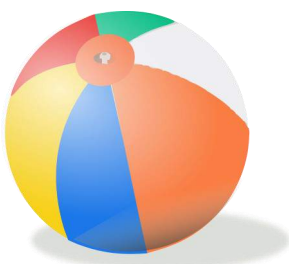

Shire President

DON'T THROW IT,

BIN IT!

I have so far lived in this shire for over 40 plus years and, as a land holder, get sick of picking up other people's rubbish from my roadside, paddocks and out of my dams. What some people don't seem to realize is cans, plastic bottles and glass bottles are not bio-degradable. If you don't get that, it means they don't break down.

Please do the right thing - put it on the floor of your vehicle and bin it when you get to your destination or the next rubbish bin you come upon.

If you think this is a petty matter, next time you drive along the highway to either Kalgoorlie or Perth, take notice of how awful it looks. Just imagine what this would look on your roadside or front kerb.

YILGARN HISTORY MUSEUM SOUTHERN CROSS INC.

YILGARN HISTORICAL MUSEUM

Newsletter No.1

Our great little town's great little museum is once again open to the public after six weeks of summer recess, the opening times being 9.30 – 12pm and 1.30 – 4pm each day volunteers are able to man the door. There are those who are able to man the door; those who are able to do the extras of keeping buildings and grounds clean; displays and display areas attractive and interesting to the public; those who can help in the office; those who are able to attend our meetings; and our Shire of Yilgarn who do all the expensive stuff! Like owning and keeping our building in good repair – without them we wouldn't have a Museum.

Since the inception of our Museum and the wonderful, forward thinking local identities who planned, begged and borrowed to get it up and running, to our present day volunteers, we have been so very lucky. As a town and as a community.

As you will be aware, our long term Curator Carla Della Bosca has now retired to Perth. Carla ran the Museum so successfully for so many years – she "lived" our museum. It is going to be so hard to follow in her footsteps. We don't have a "Curator" now, only great volunteers who are pulling together to try and achieve as successful and well respected Museum as Carla achieved.

Thank you Carla, for your care and support over many years. We wish you all the best in your years of retirement.

Most of you will be aware that the Yilgarn was founded on mining, gold being discovered in 1888. Are you aware that the first sheep to hit the district, arrived at Eenuin Pastoral Lease in the year 1874, being driven by horse by Mr George Lukin from Toodyay.

Mr Lukin was one of the first butchers to set up in Southern Cross Town.

Pioneers of Yilgarn

Stage 1.

Citizens who built this district between years 1887 and 1914

Hampson, Wilf: A relief Catholic priest appointed to Southern Cross in 1897 to assist the incumbent Father Predegast. Hampson looked after Southern Cross while Predegast looked after the district which included towns along the railway line. Hampson wrote under the pen-name Aviator and his recollections of Southern Cross have been invaluable for historians. Although Hampson was 'slightly disorganised' he tried hard to do his job. His biggest achievement was starting a Catholic School under a lay teacher in 1898, and a year later enticing the order of Presentation Sisters to come from NSW to Southern Cross and take it over. The school still operates. Predegast developed gold fever which extended to digging holes in the school yard. He never did find his Eldorado, parishioners bankrolling his prospecting efforts. He left in 1902 after complaints from others re being more interested in mining and returned to England.
