**SHIRE OF YILGARN**

**CENTRAL EASTERN AGED CARE ALLIANCE (CEACA) INC.  
INDEPENDENT LIVING UNITS**

**EXPRESSIONS OF INTEREST**

The Shire of Yilgarn is a member of CEACA, which is a partnership of eleven (11) Wheatbelt Shires consisting of Bruce Rock, Kellerberrin, Koorda, Merredin, Mt. Marshall, Mukinbudin, Nungarin, Trayning, Westonia, Wyalkatchem and Yilgarn.

The purpose of CEACA is to build a total of 75 Independent Living Units within the 11 member Shires, which will see an additional two new two (2) bedroom units constructed in Antares Street, Southern Cross in close proximity to the existing four units already constructed.

The CEACA project has been developed to allow for our aging population to remain in the towns they call home often with the support and assistance from family and friends, which wouldn't otherwise be available when relocating to larger centres such as Perth.

If you are potentially interested in going on a waiting list to reside in one of these new units please contact the Shire Office on 90 491 001 to make your no obligation registration.

If you register your interest and your circumstances change your name will simply be removed from the waiting list when the time comes to allocate housing once the dwellings are complete, which is due in late 2018 early 2019.

To register your interest or to obtain additional information please contact the Shire Office.

### Loose Ends

We welcomed back Jens Altheimer with his show Loose Ends. Jens visited us 4 years ago with his show "Squaring the wheel" which was equally well received.

On Friday he held a workshop for 24 primary school children and on Saturday he presented his show 'Loose Ends' at the community centre.

The 30 children and 23 adults alike enjoyed the fascinating, interesting and sometimes even slightly dark show and had plenty of questions at the Q&A that followed after the show.

It was a pity that the attendance number of children was lower than expected, which made the show a \$110 per child expenditure.

Jens is working on a new show and we might be able to welcome him back soon with another show.

#### Citizens who built this district between years 1887 and 1914

**LeBreton. Tom:** Owned and operated a shop in Railway Town during the 1890's, specialising in English lines. He was also agent for the Swan Brewery. Interests included horse racing where he was treasurer of the racing club.

He also dabbled in mining shares, particularly around the Koolyanobbing area. In 1910 he built the first hotel at Marvel Loch, using the liquor license from recently burnt down pub at Nevoria.

A year later he was forced to move his new hotel to a newly surveyed Marvel Loch, the original townsite deemed unsuitable. It became a much travelled license as time unfolded: Nevoria, Marvel Loch old town, Marvel Loch new town, Burbidge, and finally to Moorine Rock where it has remained to this day.

LeBreton's original pub forms the nucleus of Moorine Hotel. LeBreton also put in time as a town councillor and can be termed a true pioneer of the district.

## Welcome to our Flu Vaccination Program for 2018

We are pleased to advise that we have now received our Government funded influenza vaccines. If you would like to be vaccinated, please phone to make an appointment at the practice on 9049 1147 or email us [reception@sxgp.com.au](mailto:reception@sxgp.com.au)

### **Who is eligible for free flu vaccinations?**

Under the Australian Government's Immunisation Program the following groups can receive a free flu vaccine:

- pregnant women
- children aged 6 months to less than 5 years
- people 65 years and older
- Aboriginal individuals 6 months and older
- people 6 months and older with medical conditions that put them at risk of severe flu, including:
  - heart disease
  - kidney disease
  - chronic respiratory conditions
  - chronic illnesses that required regular medical attention or hospitalisation in the previous year
  - chronic neurological conditions
  - impaired immunity
  - children aged 6 months to 10 years receiving long-term aspirin therapy.

---

### **Private influenza vaccinations:**

We are offering private flu vaccines for a small cost to those who do not meet the above criteria, and also for those companies who wish to have their employees vaccinated. Please contact the practice on 9049 1147 for appointment scheduling.

---

### **Help to stop flu from spreading**

For best protection against flu, people are advised to get the flu vaccine in late autumn. This will help ensure they are protected throughout peak flu season, which in Western Australia is usually August. This follows recent evidence that shows flu immunisation may wane after 3 to 4 months (Department of Health WA, 2018)

Good hygiene practices, such as washing your hands thoroughly with soap and warm water can assist with reducing the risk of infection.

*Looking forward to seeing you soon.  
Be flu free!*
