## 5. Officers Report – Chief Executive Officer

#### **5.1** Regional Price Preference Policy

File Reference 2.3.3.1 Disclosure of Interest None

**Voting Requirements** Simple Majority

**Attachments Draft Policy and Regulations** 

## **Purpose of Report**

The purpose of this report is for council to authorise state wide advertising of draft Regional Price Preference Policy No 3.5(A).

#### **Background**

Currently there is mention of a local pricing policy in the Purchasing and Tendering Policy. The relevant section states-

#### LOCAL PRICING POLICY

Officers seeking quotations should ascertain whether local suppliers are capable of supply and should invite those companies to quote. Council Staff are encouraged to utilise local suppliers for goods and services wherever practicable and in compliance with the provisions of the policy (above) and legislation.

As a guideline delegated Officers can exercise the right of price preference in the order of up to 10% for purchases with a value of between \$0 and \$150,000

It is proposed that an amended Purchasing and Tendering Policy be adopted, see item 3.2, which will exclude reference to Regional Price Preference therefor this new policy is proposed.

#### **Comment**

A copy of the proposed Regional Price Preference Policy is attached.

The new policy seeks to extend price preference to the Wheatbelt and Goldfields regions, particularly to Merredin as the Regional Centre.

The draft policy also more clearly defines the requirements of Local Government (Functions and General) Regulations, 1996

#### **Statutory Environment**

Section 2.7 of the Local Government Act, 1995 states that one of the roles of a Council is to determine the Local Government Polices.

Part 4(A) of the Local Government (Functions and General) Regulations, 1996 covers the requirements for Regional Price Peferencing (A copy of the Regulations is attached)

## **Strategic Implications**

## **Civic Leadership**

#### **Officer Recommendation**

That;

- 1. Draft Policy No 3.5(A) Regional Price Preference be adopted for public advertising in accordance with the Local Government (Functions and General) Regulations 1996, for a period of 4 Weeks.
- 2. The draft Policy, together with any public submissions received be included on the May 2018 Ordinary Council meeting agenda, for futher consideration by Council.

#### **Council Decision**

## Moved Cr Della Bosca/Seconded Cr Nolan

That this item be deferred to the April, 2018, council meeting to provide Councillors additional time to consider the draft policy.

#### 5.2 Purchasing and Tendering Policy Review

File Reference 2.3.3.1 Disclosure of Interest None

**Voting Requirements** Simple Majority

**Attachments Draft Policy and Regulations** 

#### **Purpose of Report**

The purpose of this report is for Council to adopt an amended Purchasing and Tendering policy.

#### **Background**

In recent times it has come to Council's attention that the procurement process adopted by the Shire of Yilgarn, particularly in relation to tendering for goods and services, is in need of review to ensure compliance with relevant legislation.

Following the Procurement Workshop facilitated by WALGA on 9 March, 2018 it was agreed that the current Procurement Policy No 3.5 be amended to include a policy on establishing a Panel of Prequalified Suppliers and to amend thresholds and requirements for quotes etc for purchases below the Tender threshold of \$150,000.

In reviewing Policy 3.5 the WALGA Purchasing Policy template has been accessed and amended to suit the Shire of Yilgarn.

#### Comment

A copy of the amended policy is attached and it is recommended that this replace Policy 3.5.

The main changes include the inclusion of a policy for establishing Panels of Pre-qualified Suppliers. In accordance with Local Government (Functions and General) Regulation 24 AC a local government is not to establish a panel of pre-qualified suppliers unless it has a written policy that makes provision in respect of matters set out in subregulation (2) and the local government is satisfied that there is, or will be, a continuing need for goods and services to be supplied by pre-qualified suppliers.

The second significant change is to the Table of Purchasing Threshold and Practices. The current policy includes the following:

Amount of Purchase	Policy
Up to \$15,000	Where practicable, obtain verbal or written
	quotations
\$15,000 to \$149,999	At least one written quotation.
	OR
	Obtain quotations directly from a pre-
	qualified panel of WALGA Preferred Supply
	Contracts using eQuotes.
\$150,000 and Above	Conduct a public tender process
	OR
	Obtain quotations directly from a Tender
	exempt pre-qualified panel of WALGA
	Preferred Supply Contracts using eQuotes.

As can be seen the requirement to obtain quotes is minimal and hence the "Value for Money" principle may not always be tested.

It should be noted also that the amended policy does not include reference to "Regional Price Preference". It is recommended that a separate policy be adopted for this purpose.

Included in the amended policy there is reference to an Evaluation Report Template and the Shire's Record Keeping Plan, these and other relevant recording documents will be developed by administration once the policy is adopted.

#### **Statutory Environment**

A copy of Part 4 - Provision of goods and services, of the Local Government (Functions and General) Regulations 1996 is attached.

#### **Strategic Implications**

Nil

## **Policy Implications**

The amended policy will replace Policy 3.5

#### **Financial Implications**

#### **Officer Recommendation**

That Purchasing and Tendering Policy 3.5 be deleted and the draft Purchasing Policy, identified as attachment No 3 be adopted.

## **Council Decision**

## Moved Cr Della Bosca/Seconded Cr Nolan

That this item be deferred to the April, 2018, council meeting to provide Councillors additional time to consider the draft policy.

#### 5.3 CEACA Draft Budget 2018/2019

File Reference 1.3.3.18
Disclosure of Interest None

Voting Requirements Simple Majority Attachments Draft Budget

#### **Purpose of Report**

To consider the CEACA 2018/2019 Budget and the Shire of Yilgarn annual financial contribution to CEACA.

## **Background**

Council has been a member of CEACA since its inception and has been working with CEACA for the new construction project of 75 new Independent Living Units throughout eleven Councils.

Unfortunately due to budget restraints the State Government have requested \$5 million dollars be returned to assist the State Government budget.

With the reduction the Shire's of Bruce Rock, Kellerberrin and Merredin have given up one residence each to assist with the pay back of the abovementioned funds.

In going forward and with the extension of time due to negotiation with the State Government the construction of the units has been delayed which leads to further lead times for rental income to be received for the units.

This is evident through the CEACA budget that has been presented to the CEACA Executive and subsequently to the CEACA Committee. The Executive has recommended to the committee to approve an increase in subscriptions from a total of \$14,000 last year comprising of \$10,000 Membership Fee and \$4,000 Project and activities to a General Membership Fee of \$20,000.

The Project and Activities funding has been combined with the General Membership as there is insufficient funds to allocate to this field for specific allocation.

#### **Comment**

The budget that has been presented to CEACA is attached for Council's information.

The role of CEACA is not only to building the units though to continue to monitor and progress the other six platforms within the Verso reporting which relates to services aged care.

The CEACA Executive advised the Committee that the immediate priority is to have Management Plans put in place to look after the operations of the facilities that being:

- Rent Setting Policies (Social and Other)
- How to deal with properties that are being sold.
- Management Plan

With the Shire's of Bruce Rock, Kellerberrin and Merredin forgoing a residence to assist in reducing costs there is an overpayment made by the respective Councils to the Shire of Merredin of \$60,000 (\$20,000 per unit – Construction contribution) which will need to be reimbursed back to Bruce Rock, Kellerberrin and Merredin.

Mr Ralton Benn, Accessing Housing has advised through the project Management reports that with the abovementioned handing back of funds to the State significant savings have had to be identified as well as pay back of funds to the three Councils.

Access Housing has provided the committee with information that each Council will need to provide additional funding to the program to enable the budget to balance in its current state. The additional funds required are broken up into two parts being:

## 1. Reimbursement of Bruce Rock, Kellerberrin & Merredin overpayment

This item was presented to the  $26^{\text{th}}$  March 2018 Committee Meeting with the following recommendation adopted.

#### That:

- 1. CEACA reimburse the Shires of Bruce Rock, Kellerberrin and Merredin \$20,000 each, being the contributions made for units which will be foregone and that CEACA's Members agree to an increase in per unit/site contribution of \$833.33 per unit; and
- 2. The Shires of Bruce Rock, Kellerberrin and Merredin be give "first right of refusal" on any additional housing constructed through the CEACA Seniors Housing Project should funds become available to allow additional houses to be constructed.

# 2. Additional Contribution by all member Councils to balance the budget as there is a current shortfall of \$24,408 with current estimates.

Therefore it is requested that each member Council allocate additional funds of \$339 per unit as an additional contribution to balance the current budget.

The comment must be made that the intention is to continually work towards seeking additional savings though with the current position of the CEACA construction project and until further consultation is held with the local communities this figure needs to be agreed to.

Council is reminded that it is only discussing the contribution to CEACA and the Expenditure associated within the Budget is for allocation by the CEACA Committee.

#### **Purpose of Report**

The purpose of this item is for Council to adopt a policy for the holding of Forum/Briefing Sessions.

#### **Background**

Councillors have expressed support for continuing to hold a Forum/Briefing session before each Ordinary meeting of Council. As far as can be ascertained there are no forum procedures/guidelines documented. The Department of Local Government produced operational guidelines for Council Forums some time ago, these guidelines have been referenced when preparing the draft policy.

#### Comment

It is emphasised that the prepared policy is a draft only and Council can make changes if required. Any changes however should not compromise transparency and accountability in the decision making process. The guidelines proposed are as follows;

#### **Forum Procedure**

- Forum to be held each month prior to the Ordinary Council Meeting commencing 3.30pm
- Forums to be attended by Councillors, the Chief Executive Officer, Consultants and other senior staff.
- Forums shall include discussion on items included on the next Ordinary Council Meeting Agenda, issues that may result in Agenda items for future Ordinary Council Meetings, concept items and questions/discussions on the Councillors Information Bulletin/Status Report.
- The CEO will ensure timely written notice and the Agenda for each forum is provided to all members.
- Forum papers should be distributed to members at least three days prior to the meeting.
- The President is to be the presiding member at all forums.
- Elected members, employees, consultants and other participants shall disclose their financial and conflicts of Interest in matters to be discussed.
- Interests are to be disclosed in accordance with the provisions of the Act as they apply to Ordinary Council Meetings.

• A record should be kept of all Forums. As no decisions will be made, the record need only be a general record of items covered but should record disclosures of interest with appropriate departures/returns.

Attachments Draft CBP-to be tabled at the meeting.

#### **Purpose of Report**

The purpose of this report is for Council to consider and adopt the Shire of Yilgarn Corporate Business Plan, as reviewed.

#### **Background**

The current CBP was adopted by Council in June, 2013 and expired on 30 June, 2017.

The Council has been working towards preparing a new CBP and has been keen to complete the task in-house rather than engage consultants.

In September, 2017 Council considered a draft CBP, prepared by the then Chief Executive Office with input from other staff and resolved as follows:

#### That Council:

- Agree that the current Corporate Business Plan, as adopted in June 2013 and reviewed in 2015, remain in place until a new Corporate Business Plan is adopted,
- Acknowledge the status of the new draft Corporate Business Plan completed in-house and as attached,
- Agree that the new CEO be responsible to work with the new Council to finalise a new Corporate Business Plan to replace the current Corporate Business Plan.

#### Comment

As Council is aware another Acting CEO will commence on Monday 9 April, 2018, for a period of seven months. To defer adoption of the CBP until a permanent CEO is appointed does not achieve compliance with the relevant legislation. Under the circumstances it is recommended that Council adopt the attached CBP, which has been previously considered by Council and accepted as uncompleted. The CBP has been reviewed and updated by the current Acting CEO. The review did not result in any major changes as the content included by the CEO of the time not only satisfied the statutory requirements but also addressed the community aspirations reflected in the Community Strategic Plan.

It should be noted that following the four yearly review of the Strategic Community Plan there was no significant change in direction, capital works or service delivery levels put

forward by the community therefore ongoing operations, level of service etc over the next four years will be similar to today and the draft CBP reflects this.

It is a requirement to review the Long Term Financial Plan however whilst no significant change to the LTFP is anticipated, in terms of expenditure and income going forward the LTFP cannot be reviewed until such time as the Asset Management Plan is completed. The Asset Management Plan may be completed by mid June and the LTFP can be reviewed and updated at that time.

## 5.6 Panel Tender Pre – Qualified Suppliers

File Reference 6.8.1.1 Disclosure of Interest None

**Voting Requirements** Simple Majority for Officer Recommendations 1 and 2

**Absolute Majority for Officer Recommendation 3** 

**Attachments** None

#### **Purpose of Report**

The purpose of this report is for Council to consider the establishment of a Panel of Pre – Qualified suppliers for goods and services and if resolved to establish a Panel, authorise unbudgeted expenditure to engage WALGA to undertake the Tender process.

#### **Background**

As of 1 October, 2015 amendments to the Local Government (Functions and General) Regulations, 1996 regarding purchasing and tendering practices have taken effect. One of the amendments enables councils to create a Panel Tender for Pre – Qualified Suppliers. In order to establish a Panel Council must first adopt a policy for same. The relevant policy forms part of the new Purchasing Policy to be considered at this meeting.

#### **Comment**

Given the extensive use of contractors by the Shire of Yilgarn, particularly earth moving, plumbing, electrical and automotive supplies contractors, it would be appropriate for Council to establish a Panel of Pre – Qualified Suppliers so as to comply with the tender regulations and the Local Government Act, 1995.

It is recommended that WALGA Procurement Services be engaged to undertake the tender process necessary to progress the establishment of a Panel of Pre – Qualified Suppliers, specifically for earthmoving plant, equipment and contractors, plumbing services, electrical services and automotive supplies.

There is no limit on how long a Panel can be established for, however, a contract with Panel members cannot exceed twelve months, in other words prices, hourly rates and whatever other criteria council sets through the Panel establishment process will have to be provided by the Panel members on a yearly basis.

#### **Statutory Environment**

Local Government Act, 1995, s7.4 (D) - Tenders for providing goods and services. Local Government (Functions and General ) Regulations, Division 3, Reg 24AA to Reg 24AJ.

#### **Strategic Implications**

## **Policy Implications**

Draft Policy 3.5 – Tendering and Purchasing

#### **Financial Implications**

Based on a quote obtained from WALGA the Tender process, including preparation of tender documents, advertising, receipt of tenders and assessment of same, will cost approximately \$20,000.

This is an unbudgeted item therefore authorisation of the expenditure is required, by absolute majority decision.

### Officer Recommendation (1)

That a Panel of Pre-Qualified Suppliers, for the provision of earthmoving plant, equipment and contractor services, plumbing services, electrical services and automotive supplies, be established for a period of three (3) years.

#### Officer Recommendation (2)

That the Western Australian Local Government Association be engaged to undertake the tender process for the establishment of a Panel of Pre-Qualified Suppliers of goods and services, specifically earthmoving plant, equipment and contractors, plumbing services, electrical services and automotive supplies.

#### Officer Recommendation (3)

That unbudgeted expenditure of up to \$20,000 be authorised for the tender process for the establishment of a Panel of Pre-Qualified Suppliers of goods and services.

#### **Council Decision**

#### Moved Cr Della Bosca/Seconded Cr Nolan

That this item be deferred to the April, 2018, council meeting to provide Councillors additional time to consider the draft policy.
