SHIRE OF YILGARN CHIEF EXECUTIVE OFFICER APPOINTMENT

Following an exhaustive process in the appointment of a new CEO for the Shire of Yilgarn, Council at its Ordinary meeting held on Thursday, 16 August 2018 resolved to appoint Mr Peter Clarke to the position on a three (3) Contract.

The Shire President, Cr Onida Truran, issued the following statement:-

"I am pleased to advise that Council has now added some stability in its Executive Management team by appointing Peter Clarke as its new CEO. This followed a period of approximately 12 months where Council had been appointing people in Acting CEO capacities, which was not an ideal scenario.

Peter is well known in the Yilgarn district having served as our CEO on two other separate occasions, a period totalling 12 years of service with the Shire of Yilgarn. Peter was appointed as Acting CEO in April 2018 during which time Council undertook a second round of recruitment processes. Whilst Peter did not initially intend to apply for the CEO position, we were delighted that he did in the end. We welcome Peter back into the fold.

I would like to especially thank all of our staff for the way in which they have coped during this period of instability. Councillors, staff and indeed the community now look forward to a period of consolidation in the administrative area of Council's operations."

STATEMENT ENDS.

SOUTHERN CROSS LANDFILL OPERATIONS REVIEW

As mentioned in previous Crossword editions, the operating hours and operations of the Southern Cross landfill facility, which was recently opened to the public, were to be trialled for the first three months, this trial period is ending and it is now imperative that should you wish to have your say on the current operations you do so now so they can be included in the review.

You can have your say by completing one of the comments slips at the landfill facility, or in writing, by either emailing the Manager Regulatory Services Nic Warren on mrs@yilgarn.wa.gov.au or drop in your written correspondence to the Shire office.

Comments will need to be received by the 7th September 2018.

Expression of interest - who wants to be part of a walking group?

Register your interest with the CRC telling us what day and time would suit you.

Everyone welcome

Walking is suitable for people of all ages and fitness levels. It can be done just about anywhere and is free. Walking also has a very low risk of injury as it is low impact (not jarring on the joints) and doesn't require any special equipment or training.

Benefits of walking

There's a reason why walking is one of the most popular forms of activity in Australia. Walking helps to reduce stress, be more alert, have a healthier body and build strong relationships.

The ultimate activity

If walking becomes your regular activity, you'll be building a healthier heart and body. Regular physical activity will help to:

-  Reduce your risk of heart disease and stroke
-  Manage weight, blood pressure and cholesterol
Prevent and control diabetes
-  Reduce your risk of developing some cancers
-  Maintain your bone density
-  Improve balance and coordination

It also helps you feel stronger, more energetic, happier and improves your overall quality and enjoyment of life.

Email the CRC with your preferred day and time on crc@yilgarn.wa.gov.au or call 9049 1688.

Pioneers of Yilgarn

Stage 1.

**Citizens who built this district between years
1887 and 1914**

McDonald, Hugh: Was one of the largest pastoralists in Yilgarn, leasing country from Yellowdine to Strawberry Rock in the early 1900's to run sheep and cattle. He was a pioneer of the industry.

Without today's fences, losses to wild dogs was considerable, as was cattle hit by trains, and cattle poisoned by cyanide water around the mines. McDonald also owned a butcher's shop in Southern Cross.

After the First World War his pastoral land was resumed by the government and surveyed into farms to become Miners Settlement.

P&C Meeting

Wednesday 29th August, 7:30pm School Staffroom

Hi Parents and interested Community Members!
We're hoping for a big turnout at our next meeting as we will be discussing projects we already have organised for the P&C, and we'll also be asking for more input regarding fundraising ideas and resources we can help the school to provide for our children.
We will also be calling for nominations for the positions of President and Vice President to take over from Sara Loader and Shona Glassford, our current long serving members, who have kindly offered to stay on to help us out in the future.

We would like to encourage all parents to attend the meeting and be part of the P&C (if you would like to be a financial member with voting rights it costs \$1 to ensure that we can continue to provide some fun fundraising ideas for the school.

Interested in gardening and want to join a LOCAL club?

SOUTHERN CROSS GARDENING CLUB

Our Gardening Club is very informal—no committee or president. We have a Facebook page, called Southern Cross Gardening Club, and invite anyone who wants to put photos of their fabulous gardens on it, even if you have a flower that you have nurtured and coaxed along, we would love to see it!

Everyone is encouraged to join our Facebook page, and come along to meetings and events, because what is easy for one person, may be impossible for another - and who knows what we can pick up in knowledge from others.

If you would like us to trawl through your garden and steal your ideas, please contact Kaye on 0428 491 467 - and there is always our Facebook page to contact us and ask questions.

A few things in the pipeline:

- “Garden Crawl” – go from house to house (anyone who wants us to visit, let us know) to get ideas: talk gardening, recycling, swapping of plants and general gardening chat. The middle of winter is an ideal time, because if the garden is not looking too good (from your point of view) then it will give ideas and encouragement for everyone else to get started. Hint: Bare bones of a garden gives everyone ideas of how to plan out their own patch.
- Gardening talks – During the year we hope to have a few talks on gardening – flowers and vegies with all in between.
- Meetings – can be arranged where we can talk about what is going on in town, garden wise! We are planning for the second Saturday of the month, at the Rotunda in Rotary Park at 2.00 pm - just turn up for a chat. If raining, Kaye Crafter will host the meeting at her home. The first meeting will be 8th September at the Rotunda in Rotary Park—2.00pm.

There are some magnificent gardens here in Southern Cross that give us pleasure just by looking at them and by visiting other gardens it gives ideas to non/learner/gardeners on how to start up. A pot of silverbeet at the back door, a bucket of mint at the leaky tap, a window box of herbs in the kitchen window, a disused chook pen that can be turned into a vegie garden, succulents in a sunny position, anything from a pot to a full yard garden is welcomed and encouraged.

Happy gardening!

Winter Produce Swap Stall

Volunteer Grants 2018 - open for application

The Australian Government is inviting applications via an open process to apply for funding to support volunteers under the Volunteer Grants Activity (<https://www.communitygrants.gov.au/grants/volunteer-grants-2018>).

Volunteer Grants aim to support the efforts of Australia's volunteers by:

- providing small amounts of money that organisations and community groups can use to help their volunteers
- forming part of the Government's work to support the volunteers who help disadvantaged Australian communities and encourage inclusion of vulnerable people in community life.

The Volunteer Grants 2018 funding round will provide funding of between \$1,000 and \$5,000 to eligible individuals and not-for-profit community organisations. This funding is to be used to:

- purchase eligible small equipment items for use by volunteers
- contribute to volunteers' fuel costs
- contribute to transport costs for volunteers with disability who are unable to drive
- assist with the costs of training courses
- undertake background screening checks for volunteers

Applications close at 2:00 pm AEST on **18 September 2018**.

For further information about eligibility and how to apply, go to the Funding Round Application page. (<https://www.communitygrants.gov.au/grants/volunteer-grants-2018>).

Information about applying for this funding round can also be found on GrantConnect. (<https://www.grants.gov.au/?event=public.home>)

Harvest Mass Management Scheme (HMMS) – New Arrangements for 2018-2019 Harvest

Changes to the HMMS will continue to allow for "first and last" mile access on roads between the paddock and the nearest road approved for RAV network access. The HMMS operates from Monday, 1 October 2018 to Thursday, 28 February next year.

The new arrangements are that prior to harvest a farmer or transport operator must submit to Main Roads WA a HMMS Road List form identifying the intended RAV combination and a list of roads being used from the paddock to the approved RAV network.

Main Roads WA will conduct a desktop assessment of the HMMS Road List and the route will be endorsed with operating conditions if considered safe.

The road list must be endorsed by Main Roads WA before commencing HMMS operations for the 2018-2019 harvest and the road list must be carried in the vehicle and produced on request to Main Roads WA, WA Police or the grain handler. The endorsed list may be shared by other transport operators.

The following documents provide more information about the changes which can be found here <https://www.mainroads.wa.gov.au/UsingRoads/HVS/Pages/harvestmassmanagementscheme.aspx>

Australian National Flag Day – 3 September

All Australians are encouraged to fly or display the flag on 3 September each year. It is an opportunity for individuals, community organisations, local authorities, businesses and schools to celebrate with pride the anniversary of the Australian National Flag, the symbol of our nation.

AUSTRALIAN NATIONAL FLAG

The Australian National Flag (the flag) was first flown in 1901 (see also Australian National Flag Day). It is Australia's foremost national symbol and has become an expression of Australian identity and pride.

The flag is paraded by our defence forces and displayed around the country at sporting events and by service organisations, schools, community groups and private citizens.

SYMBOLISM

The flag has three elements on a blue background: the Union Jack, the Commonwealth Star and the Southern Cross.

The Union Jack in the upper left corner represents the history of British settlement.

Below the Union Jack is a white Commonwealth, or Federation, star. It has seven points representing the unity of the six states and the territories of the Commonwealth of Australia. The star is also featured on the Commonwealth Coat of Arms.

The Southern Cross is shown on the flag in white. It is a constellation of five stars that can only be seen from the southern hemisphere and is a reminder of Australia's geography.

HISTORY

In 1901 Australia's first Prime Minister, the Rt Hon Sir Edmund Barton, announced an international competition to design a flag for the new Commonwealth of Australia. There were 32,823 entries and five nearly-identical entries were awarded equal first.

The flag was flown for the first time in September 1901 at the Exhibition Building in Melbourne, which was then the seat of the federal government originally governed. In this original design the stars of the Southern Cross had different numbers of points to signify their brightness

An amendment to the Flags Act 1953 was passed in 1998 to ensure that the Australian National Flag can be changed only with the agreement of the Australian people.

Other official Australian flags include the Australian Aboriginal Flag, the Torres Strait Islander Flag and the ensigns of the Australian Defence Force.

For more information including images, templates and fun facts visit [Australian National Flag](#) and [Australian National Flag Day](#).
