CONSTRUCTION OF NEW SOUTHERN CROSS SWIMMING POOL

Dear residents

The Shire of Yilgarn has been successful in applying for funding towards the cost of a new aquatic facility and received \$700,000 from the Department of Local Government, Sports and Cultural Industries through the "Community Sporting and Recreation Facilities Fund".

Furthermore, Council has been allocating funds within a specific reserve account to meet the total project cost.

Tenders were invited for the design of the new facility and Council has awarded the tender to Donovan Payne Architects from Perth at the May Council meeting.

Due to funding and acquittal obligations, Council had to make the hard decision to forgo one season without a swimming pool, which means that there will be no swimming pool facility in 2019/20.

It is appreciated that this is inconvenient and will affect the community but unfortunately, this will be a necessary evil in order to construct a new facility.

The current swimming pool facility is 60 years old and beyond meaningful repair, as the bowl leaks large amounts of water, which is a great expense to Council and ratepayers.

Council is now working with the Architects on the design in order to accommodate all users of the facility.

A community consultation will commence shortly where Council will seek input regarding the design and functionalities of the future aquatic centre.

Please feel free to contact Manager Community Services, Jenny Gemund should you have any concerns regarding this matter.

CONSTELLATION PARK

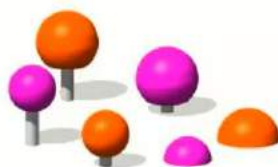

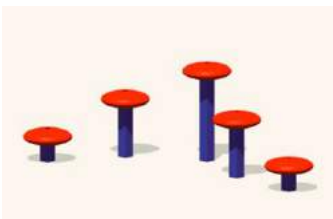

The Shire of Yilgarn is currently in the process of re-developing Constellation Park and has plans to transform it into a family friendly park with toddler facilities.

The building used for play group was demolished due to its age and state of disrepair.

A unisex accessible toilet will be erected in its place soon and a water fountain will be installed near the BBQ and rotunda.

It is considered to move the existing playground near Sirius Street, closer to the Rotunda, adding shade, seating and other new toddler friendly equipment, as below.

We would like to encourage any parents of young children to forward any ideas and suggestions to the Manager Community Services, Jenny Gemund, email to mcs@yilgarn.wa.gov.au or call 04 91 21 71 56.

While significant advances have been made to remove barriers to women's full economic and social participation, there is still a long way to go to bring about lasting solutions.

This plan will provide a framework for coordinated action by government, businesses, organisations and individuals with practical steps to advance gender equality.

The plan will focus on four priority areas:

- health and wellbeing
- safety and justice
- economic independence
- leadership

The plan will be launched in 2020 and will set the agenda for achieving gender equality over the next 10 years.

Mentally Healthy WA

**being active, having a

contribute to happiness
and good mental health**

Pioneers of Pilgarn

Stage 1.

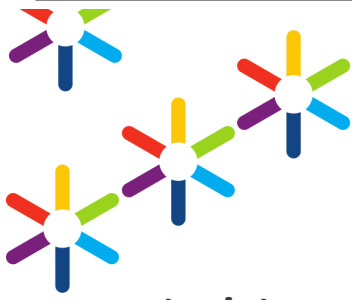

**Citizens who built this district
between years 1887 and 1914**

Roberts, Richard: Owner of the largest cordial factory in town. In 1900 he took up a miners homestead lease of 20 acres near the cemetery, and established the first farmlet at Southern Cross. (Now part of Beaton's property)

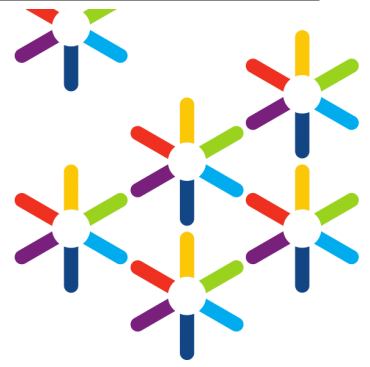

He ran poultry and grew market produce on a large scale. He was also licensee of the Club Hotel, which he kept supplied with produce grown on his farm.

His lawn was envied, at a time when lawns were few and far between. Roberts was also active in town affairs; secretary for newly formed rifle club, violin player in the town band, and auditor for the Municipality.

Mental health in Western Australia

What's happening?

In Western Australia:

One person dies every day by suicide. That's more than the road toll.

Nearly 3 out of 4 deaths by suicide are male.

WA's suicide rate was approx 20 per cent higher than the national average in 2016.

A big risk factor for suicide and self-harm is having a mental health issue.

We can reduce the risk of suicide by treating mental health issues early, by building resilience, and improving the overall mental health and wellbeing of Western Australians.

1 IN 5 AUSTRALIANS WILL HAVE A MENTAL HEALTH ISSUE EACH YEAR

\$9.0 BILLION

WAS SPENT ON MENTAL HEALTH SERVICES IN AUSTRALIA IN 2015-2016

Where to get help?

If you or someone you know is in a life threatening situation, or is at risk of harm to themselves or others, call 000.

Getting help early can make a difference. A good place to start is:

- Talk to your GP or someone you trust.
- Call a support line.
- Contact a support service.
- Try the Think Mental Health check-up tool.

Looking after your mental health and wellbeing

Looking after your mental health and wellbeing is just as important as looking after your physical health.

It's normal to have ups and downs in life, it happens to all of us. Looking after your mental health enables you to function well and be able to cope when things aren't going so well.

Little things you can do include:

SPEND TIME WITH FRIENDS, LOVED ONES & PEOPLE YOU TRUST

GET ENOUGH SLEEP

TAKE TIME OUT & ENJOY YOUR HOBBIES

KEEP ACTIVE & EAT WELL

TALK ABOUT OR EXPRESS YOUR FEELINGS REGULARLY

REDUCE ALCOHOL CONSUMPTION

AVOID ILLICIT DRUG USE

Australasian Recycling Label

The Australasian Recycling Label makes it easy to put your packaging in the right bin

What is it?

The Australasian Recycling Label (ARL) is an evidence-based standardised system that provides you with easy to understand recycling information for packaging. It shows what needs to be done with each piece of a package to dispose of it in the best way.

Why do we need it?

Australians and New Zealanders are keen to recycle but are often confused about what packaging is recyclable and what isn't. The Australasian Recycling Label is designed to reduce this confusion with clear on pack instructions on what to do.

Check the label today to see which parts belong in recycling, the rubbish or can be returned to store.
