I have worked in the mining industry since 1972, in Yilgarn Shire since 1998 as manager of the Marvel Loch Mine, and later as manager of the Koolyanobbing Mine. Since 2012, I have owned and operated a small mine with a business partner. I am married to Aiming, and we live in Southern Cross. I have 3 sons, and a good number of grandchildren. My outside-work interests include politics, reading, socialising with friends and family, and restoring vintage machinery.

I am also interested in local affairs, and I served on Yilgarn Shire Council from 2001 to 2007, and more recently since 2015. I would like to see the Yilgarn Shire community prosper, and I have worked to ensure that our budgets are responsible and fair, and adequately deal with some of the issues we face together. I am also Deputy Chair of Wheatbelt Agcare Inc. a counselling service provider.

I have decided to stand for council as I feel very strongly about our shire and the direction that it is taking in the future, and I am committed to representing our community. I am a strong advocate of promoting the growth of our region for its long-term sustainability.

Having been born and raised in Southern Cross, I am very aware of the issues that rural communities are encountering with declining populations.

As a small business owner I regularly speak to tourists and am passionate about promoting Southern Cross and the natural attractions that are on our doorstep, its history and facilities.

I am an active volunteer for local sporting organisations and recently took on the position of Secretary of the CWA. I believe we all have a part to play to enable our community to not only survive but thrive.

## APPLICATIONS OPEN FOR WHEATBELT SENIORS HOUSING

The Central East Aged Care Alliance (CEACA) is a collaboration of 11 Local Governments in Western Australia. The primary objective of the CEACA is to provide affordable housing options to older people living in the Wheatbelt Region.

CEACA was established to conduct research in conjunction with the Wheatbelt Development Commission and Regional Development Australia Wheatbelt which found there was significant under-resourcing of housing, health care beds and other age-appropriate related resources across the region. Formed in 2012, CEACA's membership includes the Shires of Bruce Rock, Kellerberrin, Koorda, Merredin, Mt Marshall, Mukinbudin, Nungarin, Trayning, Westonia, Wyalkatchem and Yilgarn.

We are excited to announce that construction of the 71 units across CEACA's 11 Member Councils is now nearing completion. We will have a range of 2-bedroom unit options available for rent as well as up to 7 units for sale across the Shires, depending on sales price and demand.

### Unit Availability

Shire	Address	Total Units
Bruce Rock	Butcher St, Bruce Rock	8
Kellerberrin	Hammond St, Kellerberrin	13
Koorda	Greenham St, Koorda	4
Merredin	Coronation St, Merredin	27
Mt Marshall	Brown St, Bencubbin Rowlands St, Beacon	1 2

Trayning	Lamond St, Kununoppin	2
Westonia	Quartz St, Westonia	2

Pindan Construction is aiming to have all units completed by the end of September 2019, with occupancy targeted to commence mid-late October 2019.

CEACA is continuing to work with the relevant Shires to attain the transfer of land to CEACA. This step is required for CEACA to establish leases over the dwellings and begin the process of occupancy. Once complete, CEACA will manage all properties.

If you are interested in securing one of the units for rent or sale, please complete the Eligibility Application form which can be found on the CEACA website [www.ceaca.org.au](http://www.ceaca.org.au) or by visiting your local Shire office for a hard copy. All applications will be assessed and given a priority rating and successful applicants will be offered a housing option.

# Athletics Carnival

On 6<sup>th</sup> of September we had our Athletics Carnival. We started at 9:30am. Everyone started to listen to their teachers. We began with throws and long jump. The juniors started first then the sub juniors went and there were lots more events. When we got close to the end we started to do team games. I was in all of the A team events- leader ball, tunnel ball, flags, pass ball and relay. As soon as we finished team games we had a game of tug-o-war. My team lost but, we had fun. Then we did the shields, we won both of them. Thanks to the teachers and parents for putting it on, we had a good day.

## Great Book Swap

At the St Joseph's School Swap Meet, which will be held on Saturday 19th October 2019, we will be running a stall for the Indigenous Literacy Foundation Great Book Swap. At this event we will resell donated books for a gold coin donation. These donations will then be sent to the Foundation to be used in the creation of resources for sharing Aboriginal languages and purchasing books and items to help children in remote communities learn skills for reading and literacy. In order to participate we require donations of any old books in reasonable condition, so if you could please ask around, we would greatly appreciate your help and you never know, come down and you may get a bargain on the day!

Thankyou for your support.

## 2019 Local Government Election

### Yilgarn council elections 19th October

#### Vote 1..... Linda Rose

Our farming and mining community is changing and we have no choice but to move with the times.

By providing a strong and safe community, this will encourage families to seek employment with in our shire, whether it be farm workers, mining, local shops or industry.

This will have a positive flow on effect for our schools and businesses.

As a former police officer I am acutely aware of the issues and importance of personal safety.

Now as a farmer in the Yilgarn, my vision is to be an advocate for our rural community.

I am passionate to see changes and feel that with my skills and experience together we can achieve positive results.

Addressing the issues of health, engagement of our youth, road safety, employment, education and promote the growth and continued success of our shire.

Our community is only as strong as the effort that the collective individuals are willing to put in.

## Grants

The Department of Local Government, Sport and Culture Industries (DLGSC), in partnership with Healthway, will be opening of the **2019/20 Targeted Participation Program (TPP) Category One - \$50,001 - \$150,000 per annum** annual competitive funding round.

The Targeted Participation Program (TPP) provides funding that enables organisations to promote participation, healthy lifestyles and active engagement of Western Australian communities in sport and active recreation, with a focus on evidenced based targeted participation groups.

DLGSC and Healthway are seeking applications for projects that create quality, affordable sport and active recreation opportunities with a focus on engaging the evidence based targeted participation groups. Projects are required to increase participation in physical activity and encourage pathways into community sport or active recreation. These opportunities should also provide a platform to promote the importance of healthy lifestyles and create healthy environments to support participation.

Those eligible for this Category are as follows:

**Community Organisations** - Organisations that facilitate activities and/or deliver training and/or partner with Peak Bodies/State Sporting Associations to deliver sport and active recreation industry outcomes throughout WA and must meet eligibility criteria in the Application Form.

**PLEASE NOTE: (Organisations funded under Category One cannot access other TPP funding and/or be currently funded by DLGSC or Healthway for the delivery of the proposed program/activity)**

This round will be open on Monday 9 September 2019 for five (5) weeks and close on Monday 14 October 2019 at 5pm.

The grant funding value will be **\$50,001 to \$150,000**.

## RoadWise at the Show

Yilgarn Agricultural Society Inc. received a community road safety grant from the Road Safety Commission to promote the “Don’t trust your tired self” message. It is a very timely and appropriate message, as driver fatigue is reckoned to be responsible for 31% of the Killed and Serious Injury crashes on Wheatbelt roads. These crashes are typified by vehicles running off the road to the left, or veering right into oncoming traffic, with no sign that the driver braked.

Gary, Shannon and Taleah with the road safety banner

What causes fatigue? Working when you would normally be asleep, being awake for more than 17 hours straight, suffering from medical sleep problems such as sleep apnoea, or accumulated sleep loss, sleep deficit. Particularly at risk are mine-site shift workers, farmers, truck drivers, anyone who works long hours, because after 17 hours awake, activity in the brain decreases. That’s why after more than 17 hours awake, the chances of being in a fatigue related crash actually DOUBLE.

At the RoadWise display, road safety advisor Cliff Simpson also engaged with the five likely lads in the picture on the topic of drink driving: while the latest statistics from Police and Main Roads show that fewer drivers are killed or seriously injured while driving drunk, the biggest improvement has been in the 17-19 age bracket.

The lads tried to catch a drinks cooler while wearing Fatal Vision goggles, which give the impression of having a Blood Alcohol Concentration of .07, (above the legal limit to drive.) our eyes become accustomed to the visual distortion of the goggles after a while, and it is a fun activity to prove a point that alcohol makes us lose coordination, but the impairment from drinking alcohol (or using drugs) doesn’t wear off so quickly. So if you plan to drink, plan your ride home, organise a skipper, bring your swag, but don’t drink and drive.

Visitors to the RoadWise display were also invited to enter a road safety quiz by answering ten questions, such as what is the penalty for using a mobile phone when driving? (Answer: \$400 and 3 demerits... ouch!)

Road safety advisor Cliff Simpson was at hand to discuss the vision of Zero fatalities and serious injuries from traffic crashes. The first name out of the hat was Tommo Martin, who wins a \$50 BP fuel voucher.

**Facebook**

[www.facebook.com/](http://www.facebook.com/)

[yilgarnhistorymuseumsoutherncross](https://www.facebook.com/yilgarnhistorymuseumsoutherncross)

On Saturday 14 September, the Yilgarn History Museum was host to the Regional Chapter Meeting of the Wheatlands area, which is held once a year.

We welcomed two ladies from AMaGA (the Western Australia Museum's parent body), delegates from Brookton, Merredin, Beverley, and Koorda — each delegate presenting their local branch report - and eight of our local volunteers..

It is very helpful to hear other museum's successes and problems. Sometimes it makes you realise how lucky you are to have positive help from your Shire Councillors and volunteers; as well as to realise you are not the only museum to be experiencing this or that problem.

It was very pleasing all our visitors — as well as our volunteers — thoroughly enjoyed the bus trip and commentary of our local sites. The museum was praised highly which was music to all our ears; morning tea and lunch supplied by bowling ladies Diane and Sonya very much appreciated.

I would like to thank on behalf of our museum's committee:

- All volunteers who have worked willingly to help have our museum at its peak. Rolie who oiled both drays; Elsen who helped me with the dirty job of oiling all the saddlery; Lance and Robyn who vacuumed the sheds before the meeting.
- Councillor Wayne Della Bosca for officially opening the Chapter Meeting
- Mr Rob Pownall who volunteered his time to drive the tour bus.
- Kaye, Robyn and Ann for devising the tour route.
- Kaye and Lance for conducting the tour.
- Diane and Sonya for the lovely morning tea and lunch
- Shire Council for support of catering and use of bus.
- Last but not least, a very big thankyou to our Secretary Robyn. Without Robyn it wouldn't have happened.

## Yilgarn Historical Museum Regional Report 14 September 2019

On behalf of the Yilgarn Historical Museum, I would like to welcome you all and thank you for the opportunity to host this year's Regional meeting.

We are fortunate to have the Original Mining Registrar and Courthouse building as the home of the Yilgarn History Museum, opened in 1979. This building, together with the added Blythe pavilion, Carla Della Bosca pavilion and Railway cabin, house our Mining, Agriculture, Early Settlers and Settlement, Aboriginal, Military and Railway and Water history.

We are very proud to have won the Culture and Heritage Award in the 2017 Tidy Towns Competition.

Opening every day, except over the Christmas/New Year period, or when major maintenance has been in progress, we have averaged 30 daily visitors a week over the last 12 months. Not included in the daily figures are the 5 major groups who visit annually: Yilgarn Car and Bike Club, Albany District Alternative school, 25 Wheatbelt Medical Student Immersion Program Students, combined local teacher's group (beginning of every school year), and class groups from Southern Cross District High School, St Joseph's and Moorine Rock schools.

The students of the Albany Alternative School are very rewarding. It is a delight to see them find the "new" displays/objects each year, and to be greeted like long lost friends.

This year the Museum was asked to provide 2 hours of community duty for the Medical Students (divided into 2 groups). I asked each group to list the names and use of all instruments and objects in the Morgue and Apothecary cabinets! The discussions — and use of the iPhones! — was great to hear and see. They all seemed to find the Morgue instruments fascinating! The Co-ordinators have asked that next year's intake of students complete the same exercise.

We frequently have inquiries from members of old pioneering families, plus families of itinerant miners. Our Research Officer, Lance Stevens, is usually able to answer the mostly interesting inquiries. Any added information the "enquirees" are able to share is greatly appreciated.

With the help of community members and Shire personnel, the 7 tonne rock donated with the underground train engine, truck and bogger by the Marvel Lock Gold Mine, has been installed in its permanent position together with its air arm, allowing landscaping with blue metal to be accomplished. At the same time, we have added a display of geraniums around the old school bell.

Two large donations gratefully received this year are of a circa. 1930 chaff cutter made by a local farming pioneer; and a local farmer's collection of very interesting and outstanding rocks collected from the Koolyanobbing, Southern Cross and Marvel Loch areas. We have been able to showcase these rocks in the foundation wall of the new storage shed beautifully.

Our Modernisation and Military displays are ongoing, and are being very well received by our visitors. This year we have concentrated on preservation and restoration of outside "objects"; and the updating of all Mosaic records ready for the possible transference to the Western Australian Collections software program should we decide to do so when it becomes available.

The Farm and Camel drays plus all saddlery, have been oiled and restored by our willing volunteers, and the old red phone box has been transferred to the Blythe Pavilion for preservation. Both a very big job!

We are very fortunate to have a very interested and willing group of volunteers, and a very supportive Shire Council. On behalf of our Committee, I thank everyone very sincerely.

Robin Stevens,  
Curator

## Pioneers of Dilgarn

**Stage 1. Citizens who built this district  
between years 1887 and 1914**

**Stacey, Jack:** Came to Southern Cross in 1895 and got a job as lamplighter and odd job man for the Municipality. In 1910 he took over running the electricity powerhouse which he kept up seven days for many years, being commended frequently for his dedication to the job. Afterwards, he developed a farm near town and became the third largest farmer. He bred the best horses in the district. As a measure of his care for stock, the RSPCA made Jack Stacey honorary veterinarian for this area. He was civic minded and for 18 years served as a town councillor, the last term as Chairman. His specialty was the powerhouse, and Southern Cross can thank Jack Stacey for its continued electricity, particularly as the town was too small to make it viable. Jack tells the story of coming over the hill into Southern Cross, and vowing to move on within 6 months. Instead he remained for the rest of his life. ©Lance Stevens
