CEACA Units Available Now!

Introducing new CEACA Referral Program!

Refer a friend, family member or acquaintance to our units and if the person they referred is successful, the referrer will be paid a one-off sum of **\$250!**

Available units

Central East Aged Care Alliance Inc (CEACA) aims to provide affordable housing in the wheatbelt region.

The following CEACA sites are now fully occupied: Koorda, Westonia, Mukinbudin, Nungarin, Bencubbin.

Two bedroom units are available in the following Shires and we invite expressions of interest to be sent to us at info@ceaca.org.au: Merredin, Kellerberrin, Beacon, Yilgarn, Bruce Rock, Trayning.

All units come with a split system air-conditioner in the main living area and ceiling fans in the bedrooms.

The interior of the units are furnished with good quality carpet and blinds.

The tenants are all settling in well and are enjoying their new home. If you have someone in mind who would be interested in renting one of our units, but need to know more or are unsure of whether they would be eligible, please let us know.

Tenant feedback

The following are some comments from some of our happy tenants!

Lorraine & Laurie

Really like our new unit, very spacious and roomy. Love how we have a small community of people here who are helpful and neighbourly but also respectful of each other's privacy.

Graeme & Judith

We love our unit here in Kellerberrin. It is rather spacious and has heaps of storage. Living in a village community makes you feel quite safe everyone looks out for each other. And we are within walking distance of the shops. That gives us some exercise.

Rose & Terry

Life at the Kellerberrin units is great, everyone is friendly and we have got together for special occasions. New Year's Eve the tenants got together, we took our tables and chairs out under the tree and it was a great night for all. I would fully recommend living at these units.

Did You Know?

Did you know that Yilgarn citizens have a history of coming to the aid of those in need. In 1917 Tom Williams, the great grandfather of Rolie Blair, met with an accident at Corinthian mine and become bed-ridden. About the same time his son was killed in France during the war. Neighbours rallied to help Tom Williams by forming a ploughing competition on his land to ready it for seeding. Six competitors took part. Some had 3-furrow ploughs while others had 4-furrow ploughs, drawn by 4 or 5 horses respectively. Areas were marked out in three and four acre lots. Points were allocated for the quality of the ploughing, straightness of furrows, time taken, etc. Everyone enjoyed the day so much we are unable to find out who won.

The competitors easily completed their allotted task with enough daylight left to do an extra 10 acres between them. The land was later seeded by Jim Nunn with Rolie Blair assisting. The crop was badly frosted but averaged 18 bushels per acre. Rabbits were plentiful and while stooking the hay Rolie recalls killing 90 with a hammer which he carried in his belt. Today the Williams farm is owned by the Guerini family.
